Additional Information

If you are receiving direct payments for overnight short breaks you or your representative can choose to contact the manager of our short break service to arrange a package of short breaks tailored to your specific needs. To be eligible for direct payments an assessment completed by the local authority is required.

If you prefer services to be arranged for you the manager of our short break service will liaise with the local authority care management team who assessed your needs to facilitate your package of support. An opportunity to visit and plan your short break will be arranged at a time convenient for you once the local authority has agreed to purchase the service on your behalf.
